3. It shall be the responsibility of the faculty and of the administrative officials of each institution of higher education to make available to each student who is absent from school, because of his or her religious beliefs, an equivalent opportunity to make up any examination, study, or work requirements which he or she may have missed because of such absence on any particular day or days. **SEXUAL HARASSMENT POLICY**

The Federal Equal Employment Opportunity Commission has defined sexual harassment as: “Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when

1. submission to such conduct is made either explicitly or implicitly as a term or condition of an individual’s employment” (the College interprets this statement to include a student’s participation in academic courses, programs, or activities);

2. “submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual” (the College interprets this statement to include educational decisions affecting a student); “and

3. such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile or offensive working environment” (the College interprets this statement to include a student’s educational experience or learning environment).

Finger Lakes Community College’s policies are consistent with Federal, State, and SUNY’s policies that ensure fair treatment to all individuals, and protection from sexual harassment is afforded to students as well as employees.
Sexual harassment is a violation of both the federal law under Section 703 of the Civil Rights Act of 1964 and Title IX Education Amendments of 1972 and the state law under the New York State Human Rights Act. Inquiries regarding compliance with Title IX may be directed to:

STUDENT RIGHTS-EDUCATIONAL RECORDS (FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT)

Pursuant to the requirements of the Family Education Rights and Privacy Act (FERPA) of 1974, Finger Lakes Community College has adopted a policy which ensures that students will have the right to inspect and review certain education records maintained under their names and to obtain copies of those records. Further, Finger Lakes will not disclose personally identifiable information from the education records of a student without the prior written consent of the student except as permitted by the Act and specified in the College’s statement of policy.

The College reserves the right to release Directory Information without prior written consent, unless the College has been informed in writing by the student during the annual notification period that all or part of the student’s Directory Information may not be released. Directory Information includes: name, address, and telephone number; photograph or likeness; date and place of birth; major field of study; participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of attendance at Finger Lakes Community College; enrollment status; degrees, certificates, and awards received; and the most recent previous educational agency or institution attended by the student. The annual notification period is defined as from the start of the Fall semester through October 15. New students entering after the Fall semester must notify the Registrar’s Office within three weeks of the start of the semester that they do not want their Directory Information released. While students are attending Finger Lakes Community College they must file the notification to withhold Directory Information annually during the Fall semester. Forms for this purpose are available from the Registrar’s Office.

Students have the right to file complaints concerning alleged failure on the part of Finger Lakes Community College to comply with the requirements of the Act by writing to:

DRUG FREE WORKPLACE-DRUG FREE CAMPUS POLICY

Finger Lakes Community College is committed to the maintenance of a drug free work environment. As an educational institution, the College endeavors to promote healthy lifestyles for its staff and students and has established policies concerning alcohol and tobacco use on its premises. In keeping with this goal, a Campus Community Coalition was established to address issues of substance use through a strategic wellness plan. The College clearly does not condone the unlawful use, possession, distribution, or manufacture of controlled substances or the abuse of alcohol on its premises.

This policy, as outlined in the Student Handbook, describes the philosophy of Finger Lakes Community College and the program elements the College will use to meet our commitment.
Students may obtain a copy of the Student Handbook from a variety of sources, including the Dean of Student Services and Enrollment Management Office, Student Life Office, Center for Advisement and Personal Development, and at the FLCC Geneva and Newark Centers.

SMOKING POLICY
Finger Lakes Community College maintains a smoke-free environment. No person shall carry a lighted cigar, cigarette, pipe, or any other form of smoking object or device in any indoor area of the College, including College vehicles and all off-campus facilities. In addition, the College has established four exterior entrances as “Smoke Free Zones.” The zones are marked with signs and blue striping across the sidewalks.

CHILDREN ON CAMPUS
The College is an educational enterprise that is focused on adults and generally does not have an environment that is conducive to the presence of children. Students or prospective students should make appropriate child care arrangements for their children when conducting business at a Finger Lakes Community College site. Bringing children to registrations or classes is strongly discouraged.

The following guidelines apply when it is necessary for children to accompany their parents to the College premises:

1. Children on campus are to remain in the direct supervision of a parent/guardian. Any unsupervised children may be detained by a College representative. In that event, the child’s parent/guardian will be contacted immediately, and the Office of Campus Safety shall be notified.

2. Children shall not be allowed to disrupt the learning environment. The parent/guardian and child may be asked to leave the classroom or service office at the discretion of the faculty or staff member.

3. The College may interpret a child’s disruptive behavior as the parent/guardian student’s violation of the Student Code of Conduct.

The College recognizes that many of our students do have child care needs. In order to assist students in providing appropriate care for their children while coming to the College, a Child Care Center has been established at the main campus. For those students who are unable to utilize the Center, and for students at the Newark and Geneva Centers, the College provides referral information on other child care centers.

COLLEGE CLOSING/CANCELLATION OF CLASSES
In the event of severe and hazardous weather and/or road conditions, or an emergency situation, Finger Lakes Community College may close entirely or cancel classes for a given period of time. The cancellation of day classes does not automatically impact evening classes and/or extension centers and sites. Area television and radio stations will announce these cancellations.

CAMPUS CRIME REPORTING AND STATISTICS
The Advisory Committee on Campus Safety will provide, upon request, all campus crime statistics as reported to the United States Department of Education. Copies of the report may be obtained by contacting the College’s Director of Campus Safety at (585) 394-3500, ext. 7437 or by viewing the College’s Web site at www.flcc.edu/offices/other/safety. Students may also wish to view the United States Department of Education’s Web site at www.ope.ed.gov/security/search.asp.
PARKING AND TRAFFIC REGULATIONS

A Parking and Traffic Policy enacted by the Board of Trustees is in effect. Students are expected to be familiar with this policy and to abide by its rules. A policy brochure is available in the Campus Safety Office and it may also be viewed on the Web at www.flcc.edu/offices/other/safety. Failure to comply with the parking policy may result in a parking ticket, wheel-locking and appropriate fines, towing at the owner’s expense, the withholding of grades and transcripts, and/or the loss of privilege to park or drive on campus grounds.

Handicap parking is available in Parking Lots A, B, and E. Handicap permits are required to park in these areas. Students may obtain a 30-day handicap permit from the College or a New York State handicap permit, issued by any municipality, which is valid for handicap parking areas on campus.

Visitor parking is available in clearly marked areas. Visitors must register at the information desk located in the main entrance lobby. Students and employees may not park in visitor parking areas at any time.

There are specific areas reserved in each lot for employee parking. These areas are clearly marked with signs indicating that parking is by permit only, and violators will be towed without warning at the owner’s expense. Parking permits are available in the Campus Safety Office.
