COMMUNITY COLLEGE

FOUNDATION

Our students have big dreams, and your gifts help bring them to life. Your belief in the mission and value found in this region's community college provides the ultimate gift—opportunity.

Your support helps ensure that FLCC students benefit from opportunities offered both in and out of the classroom. You help change our students' lives, and they will change the world.

Our Commitment to Your Privacy

The information you share with Finger Lakes Community College when you make a gift is confidential. If you decide at any time that you do not want your name included in the Honor Roll, please e-mail foundation@flcc.edu or call (585)785-1205. If you leave a message, please be sure to tell us your full name and class year if you are an alumnus.

The Finger Lakes Community College Foundation is a 501 (c) (3) charitable corporation established to seek financial support for the College from the private sector. Given the ever-increasing constraints and reduced levels of public funds, private giving is increasingly important to public higher education. Private contributions are vital to maintaining a standard of excellence at Finger Lakes Community College.

The Foundation assists the College with equipment purchases, special projects, faculty and special purpose campus events. The Foundation also receives and manages scholarships that help deserving FLCC students succeed in their chosen fields of study. Many of the named scholarships, which the foundation oversees, were established by individuals connected with the College and its mission.

In addition, the Foundation owns and maintains three properties for the College's use. The 40-acre Muller Field Station on Honeoye Lake offers a unique learning environment where students participate in telemetry research, walleye culture and river otter studies. Muller, adjacent to 1,000 acres of state land, houses a retreat center and working fish hatchery. The East Hill Campus in Naples continues to develop its focus and wildland fire suppression training and conservation class offerings. On the main campus in Canandaigua, the FLCC Honors House program offerings expand annually hosting classes, meetings, events, and exhibits designed to encourage critical thinking, creative expression and mindful action.

The Foundation's link with alumni is maintained through the Alumni Association.

Foundation Highlights

With the help of generous donors, the Foundation provided funds for a variety of programs and projects requested by students and staff during the 2011 calendar year including:

- Alumni Association

2011 Class Gift

For the first time in 2011, members of the Class of 2011 had the opportunity to make a donation. In addition, messages to those who supported them while they attended FLCC were printed and distributed at Commencement. Sponsored by the CCFL/FLCC Alumni Association, the class gift supported the Alumni Association's funds.

Friends of Chorale 40th Anniversary Campaign

A group known as the "Friends of Chorale" was created to provide financial and moral support for the Finger Lakes Chorale, a performing group associated with Finger Lakes Community College for the last 40 years. In honor of the 40th Anniversary, a celebration concert, Handel's "Solomon", was performed by the Chorale and the Finger Lakes Camerata on April 30 and May 1. In conjunction with the anniversary and the concert, Friends of Chorale conducted a successful fundraising campaign which surpassed their goal of \$4,000. Thanks to everyone listed who supported the campaign with a donation.

Faculty and Staff Donors

We are pleased to share our list of current and former faculty and staff who made an annual gift or pledge during 2011. In addition to their contributions to the College in their various professional capacities, they also have further demonstrated their dedication by making an annual financial contribution to FLCC.
