I permit Finger Lakes Community College to use any Title IV federal aid that I receive to pay any institutional charges and fees related to my attendance at FLCC for 2007-2008. If I chose to charge books and supplies or a meal plan at the Bookstore, those charges may be paid from my excess funds after tuition and fees are covered.

A-1.____ Check here if you have taken out a Stafford Student Loan at FLCC after July 1, 2001 and wish to borrow loan funds during 2007-2008. Then fill out the remainder of this form.

A-2.____ Check here if you have not taken out a Stafford Student Loan at FLCC after July 1, 2001 and wish to borrow loan funds during 2007-2008. Then fill out the remainder of this form. Next, complete the Master Promissory Note online at www.hesc.org. Click on “Students, Parents and Counselors” and select “complete your e-MPN.” If you prefer a paper application check here __________.

B. Answer the following questions for Fall 2007/Spring 2008:

1. What period is this loan application for:
   - □ Fall 2007/Spring 2008
   - □ Fall 2007 only
   - □ Spring 2008 only

2. How much loan do you need? $___________________________*

   *If this is a second request for funds for academic year 2007-2008, please write the word “additional” after you write in the amount.

   Freshman students may apply for a maximum of $3,500 annually.

   Sophomore students may apply for a maximum of $4,500 annually. Students become Sophomores after they have completed 32 credits or have an equivalent number of transfer credits.

   Independent students may apply for an additional $4,000 annually. The additional funds are always unsubsidized.

C. Parent Loans

   Dependent Students: PLUS Loans are available for parents. They can complete the Master Promissory Note online at www.hesc.org. Click on “Students, Parents and Counselors” and select “complete your MPN.” If they prefer to file a paper application, check here __________.
D.  Remember:

1. Student loans may be subsidized or unsubsidized. Unsubsidized loans have interest accrue while the student attends college.

2. All money from the Federal Stafford Loan must be repaid according to the terms of the Master Promissory Note. These loans will be repaid to the bank you designated as your lender or its servicer.

3. All borrowers will have their loan proceeds held for thirty (30) days into the semester. So students should budget their resources accordingly.

4. If you are receiving a Federal Stafford Loan for the first time at Finger Lakes Community College, you must have an Entrance Interview before the college will disburse the loan funds to you. The entrance interview can be done electronically on the web at www.mapping-your-future.org or by coming to the Financial Aid Office.

5. All awards are disbursed in two equal allotments, typically once in the fall semester and once in the spring semester. Your award letter will show the gross amount of the award. Some banks are withholding 1 1/2% of the loan amount prior to sending the funds to the college to cover origination and insurance fees.

6. You have the right to cancel your loan at anytime prior to the disbursement of funds. Just be aware that if you used the loan to defer payment on your tuition, the tuition will become due automatically.

7. Online access to your loan information is now available on HESC’s website at www.hesc.org. You can review the status of your current loan as well as find out the amounts and dates of pending disbursements. Your loan history is also included on this website. This is an excellent source of information concerning your total amount borrowed, lender and servicer. HESC is also available by calling 888-697-4372.

8. After Finger Lakes Community College processes a Stafford Loan, the student receives an approval notice from the New York State Higher Education Services Corporation (HESC) which gives an approximate date that the funds will be sent to the college. FLCC participates in electronic funds transfer (EFT). You will be notified by the Bursar’s Office when the funds are received.

9. FLCC encourages students to borrow conservatively. NEVER borrow more than you actually need.
