Rental Property Listing Policy for the Guide to Student Housing

The FLCC Guide to Student Housing is primarily designed to aid students in making their local housing arrangements. It contains important information that can be helpful in seeking housing and in working with landlords. Also included in the Guide is a list of locally available housing. Landlords are listed in the Guide by application through the FLCC Student Life Office. Applications must be received by the date indicated on the application in order to be considered for listing in the following term’s Guide to Student Housing.

If the Director of Student Life or the Dean of Student Services finds that there is a pattern of misconduct, complaints and/or incidents at a particular property listed in the Guide, that property may be removed from the guide.

Procedure for removing a property listing from the Guide:
1. The Dean of Student Services Office will notify the landlord via letter of specific concerns regarding a property and the reasons for removing them from the Guide.
2. The landlord will have two calendar weeks from the date of mailing of said letter to appeal to the Dean’s office in writing. Within such time, the landlord may submit to the Dean any written materials s/he so desires, in opposition to the proposed exclusion from the Guide.
3. The Dean may:
   a. Meet with the landlord to receive any additional evidence the Dean may deem relevant to the issue and/or to seek resolution of the concern(s);
   b. Conduct such further inquiry or investigation into the matter as the Dean may deem appropriate.
4. The Dean’s decision will be final.

The Guide to Student Housing is offered as a service to students and landlords. Including a property in the Guide does not constitute endorsement of said property. FLCC assumes no obligation for damages, payment of rent or compliance with local statutes and housing code.
